

## Fraser Salmon Roadmap Workshop – Campbell River June 22<sup>nd</sup> & 23<sup>rd</sup> 2011

### Fraser Salmon Roadmap Phases

*toward Collaborative Arrangements for the Management of Fraser Salmon*

	<b>Phase One 2009-2010</b> <i>identifying the issues</i>	establishing the workshop process, building relationships and identifying issues, concerns and interests relevant to advancing discussions around the collaborative management of Fraser River salmon
--	---	---

<b>you are here</b> →	<b>Phase Two 2011-2012</b> <i>setting the table</i>	creating and testing an Engagement Framework for DFO & First Nations to begin developing agreements for the collaborative management of Fraser River salmon.
-------------------------------	--	--

	<b>Phase Three 2012-2013</b> <i>building agreements</i>	continuing the building of collaborative management agreements on a schedule that accommodates the capacity and readiness of First Nations and available resource
--	--	---

The Campbell River workshop focuses on developing a 1<sup>st</sup> draft Engagement Framework and Agreement Template outline

Participants will also provide input to the FSRPG planning group action plan for July through September 2011 in preparation for the October 2011 Roadmap Workshop
