

## SOUTHERN RESIDENT KILLER WHALES TECHNICAL WORKING GROUP ON PREY AVAILABILITY

May 8, 2019 | 9:30am-12:30pm

Location: Simon Fraser University, Harbour Centre, Room 2200

Conference Call: 1-877-413-4792 | Access: 4446680

<https://gts-ee.webex.com/gts-ee/j.php?MTID=md88a7d33700248ab93513e10429c508d>

Meeting Number: 558 715 823

Meeting Password: tm3B4AP7

### Meeting Objectives:

- Provide an overview on each of the key long-term prey availability themes for SRKW recovery that were previously identified by the TWG;
- Set priorities and objectives for the TWG between now and June 2019 (below questions\* for consideration/discussion):
  - *Should the group consider ranking or prioritizing the key themes? If so, how (e.g. highest potential to benefit SRKW)?*
  - *How should the TWG structure their recommendations? Aim for recommendations across all six themes, or focus on one or two?*
  - *How does the TWG see working together over the next 2 months (to June)? How many meetings? In-person or via conference call/webinar?*
  - *Other information that would help inform these discussions (e.g. review of WA State long-term measures)?*
- Identify knowledge gaps and existing areas/processes within which work on these key themes is being advanced and how the TWG can best support these processes.

### AGENDA

Item	Time	Agenda Item & Description	Materials	Lead
1	9:30-9:40	Introductions, Opening Remarks		Andy Thomson
2	9:40-10:40  <i>15mins each</i>	Overview of key long-term prey availability themes for SRKW recovery:  1. Salmon science 2. Habitat protection 3. Habitat restoration 4. Salmon enhancement	PowerPoint Presentations	1. DFO Science (Salmon) 2. Fisheries Protection Program 3. Salmon Enhancement Program 4. Salmon Enhancement Program
3	10:40-10:50	Questions / clarification on presentations	n/a	all
4	10:50-11:35  <i>15mins each</i>	5. Predation (of Chinook Salmon) 6. Forage Fish • Sand Lance • Herring	PowerPoint Presentations	DFO Science (Pinniped)  DFO Science (Forage Fish)

5	11:35-11:45	Questions / clarification on presentations		all
6	11:45-12:15	Roundtable discussion <ul style="list-style-type: none"><li>• How to approach/prioritize discussions on these topics (<i>*see questions in Meeting Objectives</i>)</li></ul>		all
7	12:15-12:30	Closing Remarks and Next Steps	n/a	Andy Thomson
